RE: College and Career Fair

On **Wednesday, September 26th** the school districts of Attala County Schools and Kosciusko School District will sponsor a Career/College Day for juniors and seniors at the Oprah Winfrey Boys and Girls Club in Kosciusko, Mississippi. We are extending an invitation to you to attend this event and have your business represented as well as introduce our juniors and seniors to job possibilities and educational opportunities in our state.

Along with industry, colleges and the military will be represented. We want the students to be given a view of the many options that are readily available to them. The Career/College Day will allow our students to ask questions and gain needed information one-to-one. It will give each of you a means of promoting your industry and profession.

It is our sincere hope that you will take advantage of this opportunity and attend this event. Tables will be provided for our participants. There is no charge for this service: however, we are asking for door prize donations to give to students. If your business or college can assist by participating and/or giving door prizes, please bring these items with you to the Career/College Day.

We have enclosed a commitment form. Please return the Commitment Form as soon as possible and no later than Friday, September 14, 2018. We ask that you have your tables ready by 8:45, and we will have refreshments for you at this time.

Again, we would greatly appreciate any items to be used as door prizes throughout the day! We are preparing for 500 students.

Thank you for supporting our students and schools!

Sincerely,

Velvet Adcock, Counselor, Ethel High School

Amy Burnette, Counselor, McAdams High School

Tracy Burnley, Counselor, Kosciusko- Attala Career Tech Center

Semone Olive, Counselor, Kosciusko High School

Lynn Scribner, Counselor, Kosciusko High School
